

St. Hugh's Church, Quethiock

OPEN MORNING

Saturday 20th September 10am-12pm

*Revd Li and the PCC invite you to join them
in the church for coffee!*

This is an opportunity to meet Revd Li Selman - (our first 'Rector' since 1344!)

The plans for the installation of a toilet and the renovations to the Trehunsey aisle will be available to view and there also will be information about the recently adopted Creation Care policy, including the churchyard management plan.

PCC members will be happy to listen to any queries or thoughts you may have about St. Hugh's and the parish community.

Come and find out about:

- Worship at St. Hugh's
- Joining the PCC
- Baptisms, weddings, blessings and funerals
- The church building, the organ, bell-ringing
- Celtic quiet spaces
- How to join in with flower arranging or cleaning, looking after the churchyard, baking or other help with Ploughman's & Puds, or church events
- Something else!

We look forward to your company.
